UNITED ARTS
CENTRAL FLORIDA

Arts and Culture Funding Guidelines

Description:
Involvement in the arts is associated with gains in math, reading, cognitive ability, critical thinking, and verbal skills. Arts learning can also improve an individual's motivation, concentration, confidence, and teamwork.
Through Arts and Culture Access funding: Lake, Orange, Osceola, and Seminole County Public Schools, students hone those skills by attending field trips and participating in-school programs that connect to their class curriculum

Deadline: New programs are accepted year-round, but most funding is decided in late summer, as applications open on June 1st. For priority consideration, apply by June 30th.

Elegibility:

Organizations:

- Nonprofit 501(c)3 in good standing with the Florida Division of Corporations and the IRS
- In good standing with any United Arts grant reporting
- Primary arts/cultural mission
- Based in Orange County (For OCPS)
    - Organizations must be based in Lake, Orange, Osceola, or Seminole Counties to work in Lake, Osceola, or Seminole Counties.
- Program(s) catered to k-12 students
- Completed one or more years of operation
- Eligible to work with students and have completed or agree to complete the necessary steps to work with students or in the school system.
- The organization and program are listed on www.artsed.unitedartscfl.org

Individual Teaching Artists

- To present in OCPS TAs must be employed through an artistic-based non-profit organization.
    - This is not a requirement for Lake, Osceola, and Seminole Counties.
- Proven track record of artistic practice (An artist portfolio)
- Program(s) catered to k-12 students
- Eligible to work with students and all required documents completed to work within the desired county(ies).
- The Teaching artist and program are listed on www.artsed.unitedartscfl.org
